

# Girls' Night Out Organizing Workshops

Gather the girls for a fun, relaxed, & educational get-together with friends. Steele Organizing will share our favorite organizing tips & strategies in a "home party" format. But unlike traditional home parties, you won't return home with piles of trinkets. Instead, you'll leave the party with relevant, helpful organizing information and tools that you can use immediately to improve the quality of your daily life.

Workshops run approximately 2 hours and include the following topics:

- [Busy Mom's Guide to an Organized Life](#)
- [Family Command Center](#)
- [Eco-Organizing](#)
- [Organize your purse, organize your Life](#)
- [Stress-Free Holidays](#)

Each workshop is designed to teach you essential organizing skills you can use throughout your home and office. Each workshop has a hands on exercise where guests walk away from the party having had fun and with the materials they need to continue on with what they have learned.
