*Just want to let you know I enjoyed your Family Command Center session (and so did the boys!) And the best part is that I'm using what I learned and the supplies you gave me. I love it! Thank you Jamie!*

*I spoke with Jamie Steele with Steele Organizing about helping me organize our closet underneath the stairs. She came over, assessed the situation and starting pulling out the clutter. She made different piles and ask me to go through them. If the items weren't needed she encouraged me to throw the items out, or donate them. She pulled out boxes for vacuum cleaners that were past warranty, found a ton of wrapping paper/gift wrap, and she pulled out the boxes that contained my wedding china. It's been packed for 8 years and has survived several moves. She pulled up on her tablet a gift wrap organizer form The Container Store which was very reasonable cost wise. She suggested I get it to store my wrapping paper etc.*

*Jamie also built 2 bookshelves that I bought from Ikea back in September. She built them! Once she placed inside the closet for me to store my paper products as will as a place to put my china. The second one we placed in my breakfast nook area for the children's books.*

*We accomplished this project in 3 hours time. She cleared out the clutter, built two bookshelves, broke down boxes for the recycle bin, and took some of my items that I didn't want or need anymore to Goodwill. Jamie is professional who knows*

*her product, which is organizing. I will definitely use Steele Organizing again and refer them to my friends! Thank you again Steele Organizing!*

*We have lived in our house for 10 years. Jamie came in like a whirlwind and helped me reorganize two rooms in our house. First was the guest room that we converted to a game room/craft room. Second was our home office. Both rooms were overwhelming me to the point of tears! Jamie took the overwhelming task, made it simple by breaking down the steps and working non-stop until the job was finished (in less than the time allotted). We wholeheartedly recommend Steele Organizing to anyone who needs assistance that is prompt, efficient and smiles the whole time!*
